

A NIGHT TO SPARK CHANGE

HOST TIPS FOR MAKING YOUR GATHERING UNFORGETTABLE

1 Set the Scene

Plan your cozy gathering, like an evening around a firepit or a backyard hangout. Create an atmosphere that encourages connection and conversation

2 Invite Your Friends

Make your guest list and send out a fun "save the date." Let them know they're invited to a meaningful and relaxed get-together.

3 Inspire With Your Target

Share your fundraising targets with your friends, either in person or on social media. Let them know how their support can create real change. Start fundraising and consider a raffle with a lucky door prize!

4 Celebrate Generosity

Show your gratitude with hugs, fist pumps, and cheers! Share how much you've raised together and the impact it will have.

5 Capture the Moment

Take a group photo to capture the memories! Collect your guests' details so we can thank them personally for being part of LIVEfree Project's story in the community.
