ACCESS & EQUITY
DIVERSITY & INCLUSION POLICY

Access, Equity, Diversity and Inclusion

LIVEfree PROJECT is committed to meeting the needs of individuals and families within the community, through the integration of access, equity, diversity and inclusion guidelines.

LIVEfree PROJECT will ensure that equity principles for ALL, regardless of

- Race
- Gender
- Age
- Social background
- Educational background
- Disability
- Sexuality

LIVEfree PROJECT will ensure the pillars of Diversity and Inclusion are upheld within the programs, client interaction and across all areas of community planning and engagements.

- Access: We will have a welcoming environment and will make it engage habits that create and maintain it in community and within our organisation
- Attitude: We will be willing to action and implement changes to ensure access, equity, diversity and inclusion are embraced and that we will be intentional to show meaningful ways where we can show this through our attitude to others
- Choice: We will ensure that clients are given choice within their programs and connection with LIVEfree PROJECT to strive for inclusion and acceptance of others and their preferences.

- Partnerships: As we strengthen our reach into the community, we will be mindful in our associations with others, ensuring their embrace of others is inclusive and diverse.
- Communication: We will communicate in ways that influence inclusion in the communicative expression of the values, mission, and vision of LIVEfree PROJECT and all associated programs and engagements with community.
- Policy: We will ensure that our policies are inclusive and that welcome diversity and adhere to the polices that work to guard and protect this stance of inclusivity and diversity.
- Opportunities: We will explore the options that are available for people from disadvantaged backgrounds

All guidelines and programs are implemented through fair allocation of resources and the right to equality of opportunity without discrimination, being mindful of the strength that comes with diversity and the benefits of inclusion within community as a whole.
